

DOLOMYTHS RUN 22K SKY RACE

REGULATIONS 2026

Participation:

To take part in the competition, athletes must be at least 18 years old and possess a valid medical certificate of fitness for competitive sports (B1, B2, B3, B4, B5, B6 – high cardiovascular intensity activities) for the following disciplines: athletics, skyrunning, mountaineering, ski mountaineering, cross-country skiing, and cycling. Participation implies full and unconditional acceptance of these regulations and all instructions issued by the Organization. Competitors are also required to respect the highway code, particularly on sections of the course that cross public roads, which will NOT be closed to traffic (e.g., SR48 – Passo Pordoi, SS242 – Località Pian Schiavaneis).

Course:

Start: Canazei (TN), Piazza Marconi at 8:15 AM on Sunday the 12th of July 2026.

Finish: Canazei (TN), Piazza Marconi.

The race covers approximately 22 km (10 km uphill, 12 km downhill) with 1,750 m of elevation gain, on mountain trails starting and finishing in Canazei (1,450 m) and reaching the summit of Piz Boè (3,152 m). The course will be marked with flags. At the start, along the course, and at the finish, Organization staff will be available for assistance. Staff will wear high-visibility vests (YELLOW). Each competitor must follow the marked course and adhere to the instructions of the staff and respect all race signage, including warnings about dangerous sections requiring maximum attention. Outside the official race route, the Organization does not guarantee safety, as the race takes place in a high mountain environment with all associated risks. In the days prior to the competition, each athlete is strongly encouraged to inspect the course to ensure it matches their abilities and experience. The route, classified EE (“for expert hikers”), requires the ability to navigate typical high-mountain terrain, following trails that may be steep, rocky, or unstable, with exposed passages not always protected with fixed ropes. Competitors must strictly follow the racecourse, avoiding shortcuts or off-track routes. Leaving the official course will result in disqualification and is done at the competitor’s own risk, as no safety measures or route clearance are guaranteed outside the marked route. The topographical map of the course, including practical information such as checkpoint time limits, as well as the GPS track, will be published on the event website; competitors are encouraged to download them and carry them during the race. Medical assistance points are located along the course: Passo Pordoi – Forcella Pordoi – Rifugio Boè – Pian de Schiavaneis – finish area.

Mandatory Equipment:

- Race bib (must be worn visibly at all times; cannot be altered, folded, or cut).

Strèda de Antersies, n. 14 | 38032 Canazei (TN) | P.Iva 01612210227 | info@dolomythsrun.it | www.dolomythsrun.it

- Windproof jacket.
- Trail shoes with soles in good condition.
- Trekking poles are allowed except on the Piz Boè pyramid section, which is almost entirely equipped with fixed ropes and where poles are strictly prohibited. Foldable poles can be carried in a backpack or over the shoulder, while non-foldable poles must be handed over to staff at Forcella Pordoi. Poles must be delivered to the race office by 07:30 a.m. on Sunday the 12th of July. Competitors may pick them up at Passo Pordoi for the ascent; the Organization will return them to Canazei for collection after 1:30 p.m. The Organization is not responsible for any damage or accidents involving poles during transport.

Mandatory equipment will be checked before the start and randomly during the race. Any violations may result in disqualification or a 3-minute penalty.

Time Barriers:

The maximum race time is 5 hours 30 minutes. Competitors exceeding the following times will be excluded:

- 2 hours 30 minutes at Rifugio Forcella Pordoi
- 3 hours 30 minutes at Rifugio Boè (NOT PIZ BOÈ CAPANNA FASSA, but Rifugio Boè)
- 5 hours 30 minutes at the finish in Canazei

Athletes who do not respect the time limits will be excluded. If the delay is not due to physical inability, the athlete must return to the valley following the route already covered and following the instructions of the race staff. Athletes unable to continue for health reasons will be assisted by the Organization and escorted to the valley. At any checkpoint, the Organization, at the sole discretion of the medical staff, may exclude competitors deemed physically unfit to continue, even if they have passed the time gate.

Withdrawal:

Competitors who abandon the race must inform any checkpoint and show their race bib. If the withdrawal does not require medical intervention, the athlete must return independently following the marked course.

Voluntary withdrawal, not due to physical inability, and communicated to the staff along the route, ends all assistance from the Organization. The return of athletes who voluntarily abandon the race without health issues will be at their own risk, without responsibility for the Organization. The course will be completed by the “sweepers” staff following the last competitors, ensuring that no participants remain on the track after the event.

Emergencies:

In case of need or emergency, in addition to the race staff along the course or at the refreshment points, area managers can be contacted:

- Ivano Ploner (Race Director): +39 338 4347375
- Riccardo Dezulian (Mountain Guide): +39 347 0708670

Refreshments and Assistance:

Five refreshment points will be provided along the course:

- Passo Pordoi (drinks only)
- Forcella Pordoi
- Piz Boè – Rifugio Boè (drinks only)
- Pian Schiavaneis

Athletes may be assisted by their own staff at any point. Environmental rules require all waste to be collected and transported down, with direct responsibility of each assistant. At the end of the race, near the Canazei park, athletes will find the final refreshment area, as well as massage services, showers, and the Pasta Party. Shuttle transfers will be available from Passo Pordoi and Pian Schiavaneis to bring back to Canazei any withdrawn or disqualified athletes.

Course Modification or Interruption:

At its sole discretion, the Organizing Committee reserves the right to modify the route, delay the start, or temporarily or permanently suspend the race, for all or part of the participants, should conditions arise that could seriously endanger the safety of athletes or anyone present along the course (e.g., rescue operations, rockfalls, or other hazards).

In the event of severe weather conditions, the organization may decide to suspend the race while in progress. In such cases, the final ranking will be determined according to the latest checkpoint reached by each athlete.

Environmental Policy:

The Organizing Committee requests that all participants show the highest respect for the natural environment. Littering of any kind (cups, paper, wrappers, etc.) is strictly prohibited. Dedicated bins will be available at the refreshment stations. Runners found littering will receive a two-minute time penalty.

The organization is not responsible for the loss or theft of personal belongings or equipment left unattended before, during, or after the race, at the race office, or in the start/finish areas.

Image Rights:

By registering, each athlete expressly authorizes the Organizing Committee to freely use any images — still or moving — depicting them during participation in the event.

The organization may share these images with its institutional and commercial partners for promotional and communication purposes. This authorization is granted without time limits or territorial restrictions and includes the use of the athlete's image in promotional and/or advertising publications and videos on any type of media.

Technical Briefing:

The technical briefing will take place on Saturday the 11th of July 2026 at 6:30 p.m. in Piazza Marconi, Canazei, and in case of bad weather at the Canazei town hall. The organization staff will provide further updates on course and weather conditions in the moments leading up to the start.

Awards:

The first ten male and first ten female overall finishers will be awarded on Sunday the 12th of July 2026 at 2:30 p.m., in Piazza Marconi, Canazei. Athletes who will not be present at the ceremony will not receive prizes. For further information or special requests, please contact the Organization at the race office.

Registration Fees:

Registrations must be made exclusively online, with payment by credit card, through the dedicated link on the official race website www.dolomythsrun.it.

Registrations will close on the 5th of July 2026, or once the maximum number of participants has been reached. The maximum number of competitors is set at 800. The Organization reserves the right to increase the maximum number of participants or to allocate wild cards beyond this limit, at its sole discretion.

The registration fee is €70 and it includes:

- race participation and assistance
- bib and refreshment points along the course and at the finish line
- pole transportation to Passo Pordoi and back from Forcella Pordoi
- massages
- showers
- downloadable diploma
- race pack and finisher gadget
- Pasta Party

Bib collection will take place exclusively in Canazei (TN) on Saturday the 11th of July 2026 from 9:00 a.m. to 7:00 p.m. and on Sunday the 12th of July 2026 from 6:00 to 7:45 a.m.

Entry Fee Refunds:

Strèda de Antersies, n. 14 | 38032 Canazei (TN) | P.Iva 01612210227 | info@dolomythsrun.it | www.dolomythsrun.it

In the event of withdrawal after successful registration, or in case of cancellation of the event due to force majeure, legal requirements, or directives from the competent authorities, or for any other reason:

- No registration fees will be refunded under any circumstances.
- Bib transfers between participants are not allowed.
- Deferral of registration to a future edition is not permitted.

In the event of cancellation due to force majeure or legal/authority directives, the Organization may, at its sole discretion, provide a partial refund. If the maximum number of participants is reached well in advance of the registration closing date, the Organization may, at its sole discretion, establish a waiting list to accommodate new registrations subsequently to withdrawals.

Complaints:

Any official complaint must be submitted in writing to info@dolomythsrun.it or by registered mail to Stréda de Antersies 14 – 38032 Canazei (TN), Italy.
